A BILL FOR

An Act to amend section three hundred twenty-one point four
hundred sixty-six (321.466), Code 1946, relating to
re-registration of a vehicle for increased gross weight.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section three hundred twenty-one point four
2 hundred sixty-six (321.466), Code 1946, is hereby amended by
3 adding the following after the word "registered" in line six (6):
4 "For this purpose the annual fee for the first year or fraction
5 thereof for a vehicle registered in this state for the first
6 time shall be the fee for that part of the year after the date
7 of its first registration."

EXPLANATION OF H. F. 265

This bill is intended to allow the owner of a new vehicle or of a vehicle first brought into the state and registered for the balance of the current year, to secure registration for a higher gross load by paying on the basis of the fraction of the year after its first registration rather than for the full year as is now provided in the first paragraph of this section.

In effect this is defining annual registration.
